## MEET OUR PARISH FAMILY

TONY AND JEANNE GARIGLIANO

### VOCATION CORNER – SERIOUS PRAYER

In our journey with discernment one of the biggest obstacles is our own personal sin. This is because sin hinders us from hearing the voice of God. So what is it that usually is a factor in the fight with sin? Well just last week a friend of mine emailed me and said to open a Google document that he wanted to share with me. As soon as I read the email I thought, 'That's strange. He usually writes a little bit more in an email and that doesn't sound like him.' So I concluded that the email was spam and that I wasn't going to open it. In a matter of a minute I was so curious to know what was in that document that I clicked it even though my mind was telling me that it was clearly spam. Later that evening around midnight my credit card information was stolen and people were making purchases. That stolen information was all the result of me choosing to ignore my rational thoughts and follow my curiosity and that's the fight with sin. Our mind tells us it's wrong but then we are so curious to see what's on the other side that we overrule our mind and fall into sin with consequences. Let us not allow curiosity to kill us but let us choose life. Life with Christ. In order to do this we must take on serious prayer, because serious prayer and serious sin cannot exist together. One will drive out the other. So let us take on a life of serious prayer to drive out any level of serious sin and truly hear the voice of God calling us to the life He has created for us!

- Fr. Kyle Manno, Assistant Vocation Director
